1.6   Significance of Logo

Right on the top is a star with the inscription - Allah-O-Akbar. When in dark nights poor travellers have to travel jungles and there is no one to show them the way, they chart their course with the help of stars. The star of Allah–O-Akbar is the guiding star of Jamia. Its eyes are fixed on this star which shows it the path in the darkling world. It reflects the truth that Allah is the greatest and he who bows his head before Him only, discovers the truth. Having bowed before Him, how can the head bow before anything else? Beneath this glittering star is a book with the inscription, *Allammal Insaana Maalam Yalam* (Taught man that which he knew not). This is a verse from the Holy Quran. Through the Holy Quran, Allah has revealed His Will to His differences of caste, class, colour, of master and slave, and became true to His tenets. This book led from darkness to light, and placed the wayward and lost on the Straight Path. The Prophet made an example of his own life. By the light of his eyes and the warmth of his heart, He prepared a group of good persons who cleaned the world of evil and spread the Word of God. On both sides of the Book are two date trees typical of the land where God's last Prophet was born. They are symbolic of the barren valley in which nothing grew; but it was there that the sapling of din took root. These trees are emblems of hope from a land in which not a leaf or flower could sprout; but wherein suddenly the springs of hidaya (guidance) burst forth and drenched the communities of the heart. They are a source of consolation for people who became disheartened with adverse circumstances. Why do external factors make them lose hope?

At the very bottom is a tiny crescent which reads - *Jamia Millia Islamia* in Arabic. This crescent is small but just as it expands to become the full moon on the fourteenth night, so also Jamia. Meaning that this is the beginning of our work. It will expand to become the full moon and a source of delight for the eve of its beholder.

Choice Based Credit System

Jamia Millia Islamia introduced Choice Based Credit System (CBCS) at both Undergraduate and Postgraduate levels with effect from the session 2015-2016. In the year 2024-25, the university adopted the National Education Policy, 2020 for all undergraduate programs offered by the following faculties:

- Faculty of Engineering & Technology
- Faculty of Fine Arts
- Faculty of Humanities & Languages
- Faculty of Life Sciences
- Faculty of Sciences
- Faculty of Social Sciences
- Faculty of Management Studies

This CBCS provides students a wide diversity of subjects from which they can choose what they really like and have aptitude for, apart from the core subject they have chosen. The flexibility inherent in the system will allow students to acquire a rounded personality by choosing subjects across disciplines and mediums. The University would like to encourage interdisciplinary among students in their studies and research. To facilitate this, a cumulative list of courses that will run under CBCS is being provided. Students are advised to go through the list carefully so that they can make an informed choice. Course Advisors in all departments may be contacted for advice or any other help related to the CBCS.

The courses under Choice Based Credit System offered for various programs are classified under the following categories:

- Faculty of Engineering & Technology
- Faculty of Fine Arts
- Faculty of Humanities & Languages
- Faculty of Sciences
- Faculty of Social Sciences
- Faculty of Life Sciences
- Faculty of Management Studies

Key Objectives of NEP

The National Education Policy (NEP) 2020 is a transformative framework aimed at reshaping India's education system and ensuring its relevance in a rapidly evolving world. For students at Jamia Millia Islamia, the key objectives of NEP 2020 can be summarized as follows:

Holistic and Multidisciplinary Education:

NEP 2020 envisions a shift from a rigid, stream-based system to a more flexible, multidisciplinary approach to learning. To achieve this objective, Jamia Millia Islamia is striving to provide options to its students to explore various fields of study across disciplines, enabling them to pursue a broad-based education that combines knowledge, skills, and creativity.

Promotion of Critical Thinking and Creativity:

Jamia Millia Islamia aims to foster critical thinking, problem solving, and creativity among students. It encourages learning through inquiry, collaboration, and hands-on experiences rather than rote memorization. This approach will empower students to become independent thinkers, innovators, and leaders.

Skill Development and Vocational Education:

The policy highlights the importance of vocational education from an early stage. By integrating skill development programs and vocational training into mainstream education, Jamia Millia Islamia aims to equip students with practical skills, enhancing their employability and preparing them for diverse career opportunities.

Focus on Indian Languages and Cultural Heritage:

The curricula of FYUP programs provide opportunities to students to learn about Indian Languages & cultural heritage by taking them as subjects under Skill/Ability Enhancement or Value Added Courses. For more academic rigor, JMI students may also pursue such courses as Minors/Multidisciplinary subject to pre-requisites & constraints that may vary across disciplines.

Flexible Education Pathways:

NEP 2020 advocates for flexible entry and exit points in education, enabling students to take breaks, re-enter at a later stage, or switch streams with ease. This ensures that students can continue their education in a way that best suits their interests and circumstances.

Strengthening Research and Innovation:

The policy encourages fostering a research-driven culture at all levels of education, particularly in higher education institutions. This includes increasing funding for research and creating environments that nurture innovation and creativity. Most FYUP programs at Jamia Millia Islamia usually offer an option in forth year to purse Honours with Research degree.

Some Important Terminologies for Understanding NEP Programs

FYUP: Four-Year Undergraduate Program

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline.

Minor discipline helps a student to gain a broader understanding beyond the major discipline.

Ability Enhancement Courses (AEC) are the courses based upon the content that leads to knowledge enhancement through various areas of study.

Skill Enhancement Courses (SEC) are skill-based courses in all disciplines and are aimed at providing hands-on-training, competencies, proficiency & skills to students.

Value Added Courses (VAC) are common pool of courses offered by different disciplines and aimed towards personality building.

Courses from Other Disciplines (Multidisciplinary) - All UG students are required to undergo 3 introductory-level courses relating to any of the broad disciplines offered by the university other than the major & minor streams opted by them.

Discipline Specific Core: These are the courses that are to be chosen by students of Multidisciplinary B.A. & B.Sc. programs. Students may choose any three disciplines and earn at least 32 credits in each one of them.

جامعہ کا ترانہ

دیارِ شوق میرا، دیارِ شوق میرا

شہرِ آرزو میرا، شہرِ آرزو میرا

ہوئے تھے آکے یہیں خیمہ زن وہ دیوانے
اٹھے تھے سن کے جو آوازِ رہبرانِ وطن

یہیں سے شوق کی بے ربطیوں کو ربط ملا
اسی نے ہوش کو بخشا جنوں کا پیراہن

یہیں سے لالۂ صحرا کو یہ سراغ ملا
کہ دل کے داغ کو کس طرح رکھتے ہیں روشن

دیارِ شوق میرا، شہرِ آرزو میرا

یہ اہلِ شوق کی بستی یہ سرپھروں کا دیار
یہاں کی صبح نرالی، یہاں کی شام نئی

یہاں کی رسم و رہ ہے کشی جدا سب سے
یہاں کے جام نئے، طرحِ رقصِ جام نئی

یہاں پہ تشنہ لبی ہے کشی کا حاصل ہے
یہ بزمِ دل ہے یہاں کی صلائے عام نئی

دیارِ شوق میرا، شہرِ آرزو میرا

یہاں پہ شمعِ ہدایت ہے صرف اپنا ضمیر
یہاں پہ قبلۂ ایمان کعبۂ دل ہے

سفر ہے دین یہاں، کفر ہے قیام یہاں
یہاں پہ راہ روی خود حصولِ منزل ہے

شناوری کا تقاضا ہے نو بہ نو طوفاں
کنارِ موج میں آسودگی ساحل ہے

دیارِ شوق میرا، شہرِ آرزو میرا
